

The Acquisitions X-FIRES™ range has been created by Acquisitions of London to fulfill consumer demand for a quality minimalist contemporary fireplace where no chimney or flue exists, combining striking good looks with the use of fashionable piano-black Granite, Limestone or a stunning Mirror finish for the uniquely-styled surround.

- Stunning contemporary design
- Limestone, Granite or Mirror finishes
- No Chimney required
- Simple installation, hang on almost any wall
- Two sizes & choice of Gas or Electric fires
- Use of natural materials for the surround
- Patented RX3 RefleXion flame picture technology
- 100% efficient & low on CO² emissions
- Eco friendly & half the cost of a conventional gas fire to run*
- Electric fires can be inset, partially-inset or hang-on-wall
- Patented lightweight construction
